1. Read the email you received either when you joined, at renewal or when we first issued the digital cards (November 13, 2025 @ 11:24 AM). Open this on your smart phone, otherwise you can just print the card from your desktop.

Scroll down to where it says “Option 1” and download the card.

### **Option 1:** 📲 **The Easiest Way - Add Directly to Your Phone Wallet (Recommended!)**

This is the fastest method and requires no additional app download.

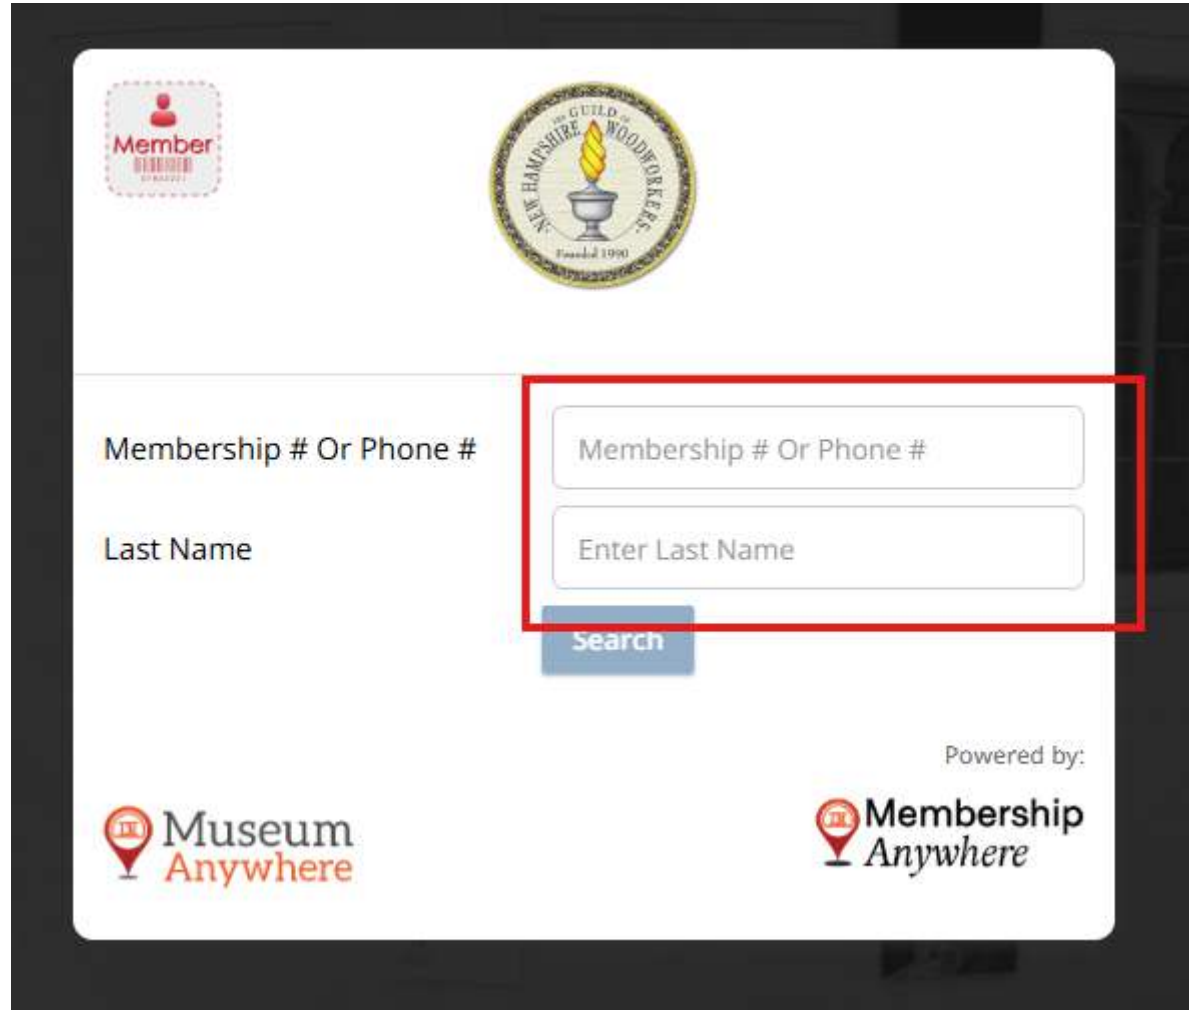

1. **Click the Link:** On your smartphone, simply click the dedicated card link provided in this email.
2. **Save Your Card:** Your card will pop up. Just tap the "Add" button to instantly place it in your phone's native **digital** wallet (Apple Wallet or Google Wallet).
3. **View Your Benefits:** To see your vendor discount list, open the card in your wallet, tap the small circle with three dots (...) or the info icon (i), and select "**Pass Details**" and make sure to scroll down to see the list.
