

Guild of New Hampshire Woodworkers C. Peter James Memorial Library

Website Tutorial

1. Overview

The C. Peter James Memorial Library houses the Guild's collection of woodworking books, magazines, and videos. The physical library is located at Canterbury Shaker Village in the horse barn, where Guild meetings and demonstrations are held. This tutorial will guide you through accessing and using the online catalog.

2. Accessing the Library Website

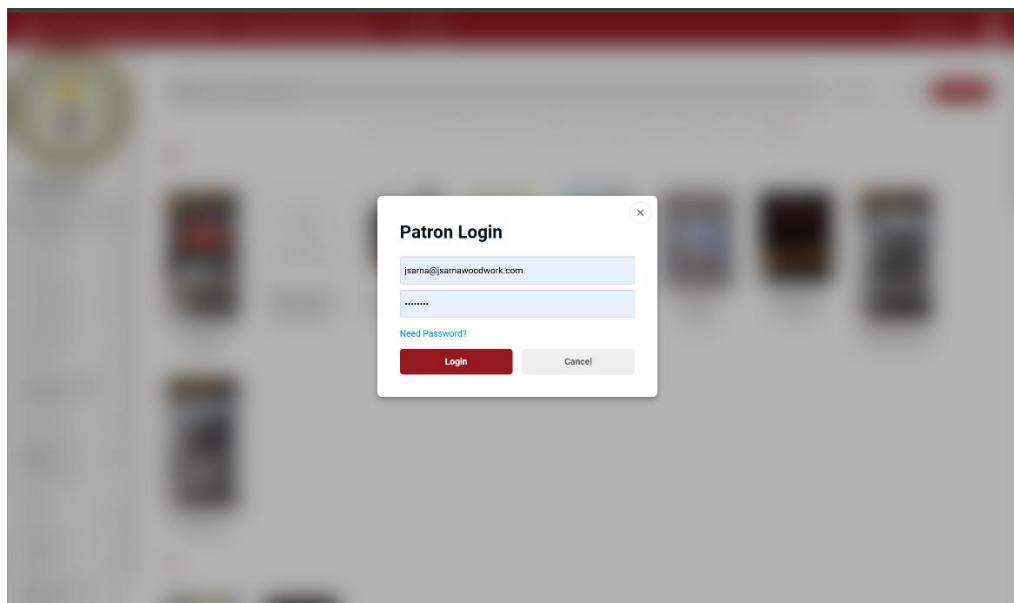

To browse the library online, open your browser on your phone, tablet, or computer and go to:

<https://www.libib.com/u/gnhwlibrary>

A direct link is also available on the Guild website under **Member Services**.

When you visit the URL, you will see the **Patron Login** page.

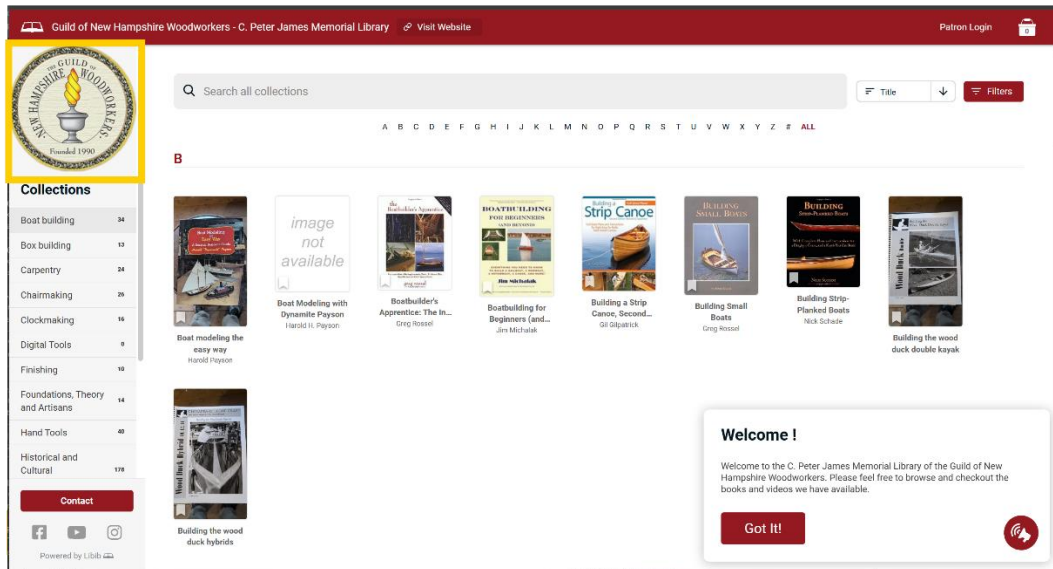

- If this is your first time logging in, enter the email associated with your Guild membership.
- Click **Need Password**.
- Follow the prompts to create a password.
- Log in using your email and new password.

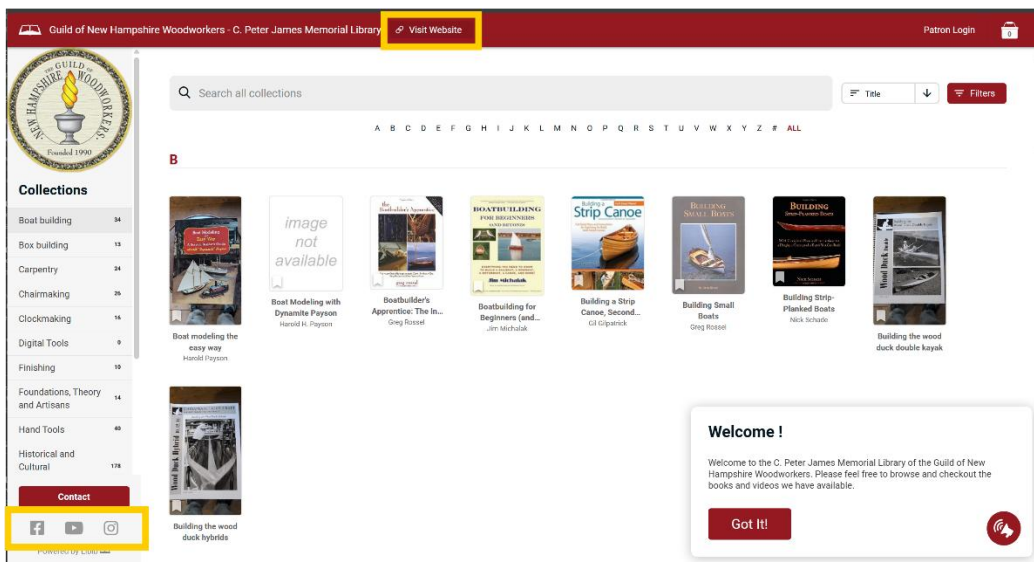

3. Library Home Page

After logging in, you will arrive at the library's home page.

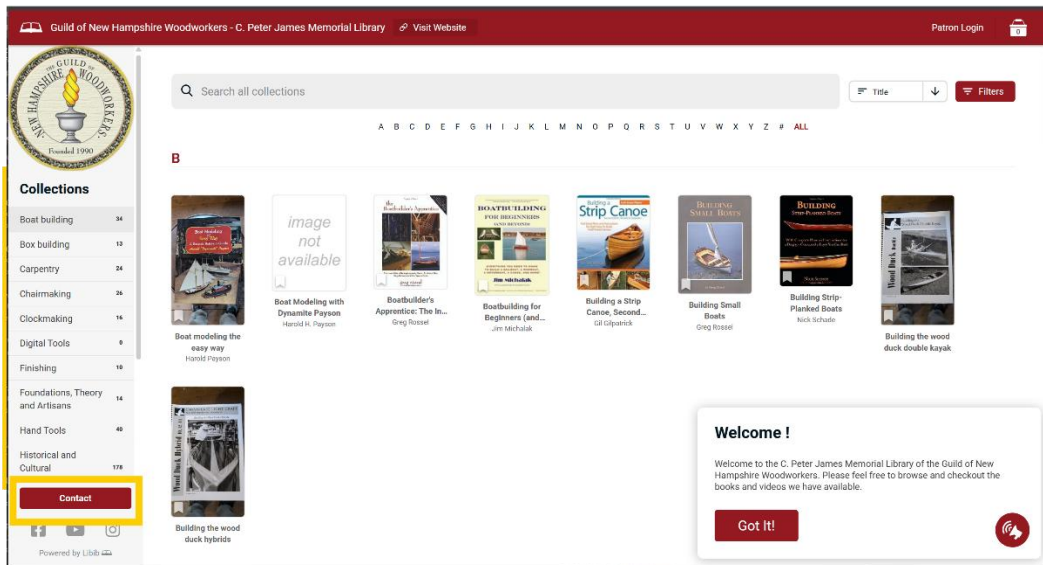

- Clicking the **Guild logo** at any time will return you to this home page.

- Selecting **Visit Website** opens the main GNHW website in a new browser window.
- Clicking the Facebook, YouTube, or Instagram icons opens the Guild's social media pages.

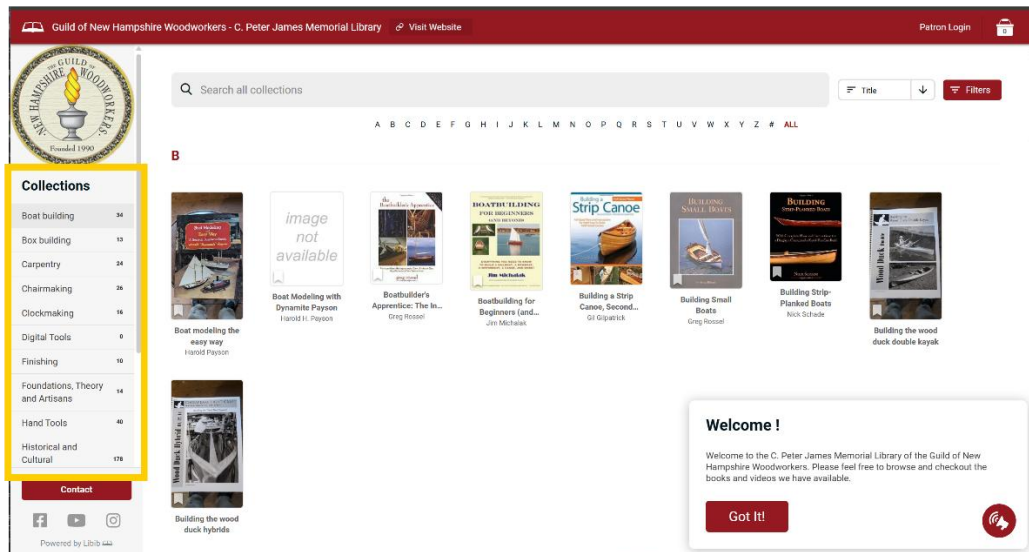

To contact the library manager, click the **Contact** link. This will open an email window addressed to the library manager.

4. Browsing the Collections

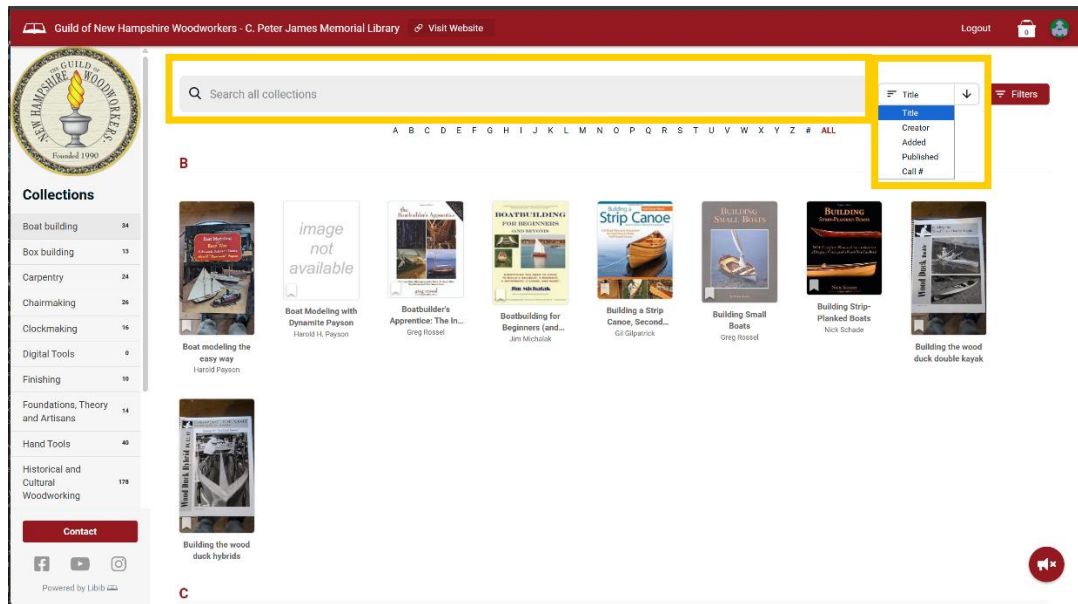

On the left side of the screen, you'll find a menu listing all categories of books, magazines, and videos. Selecting any category displays the items within that collection.

Above the item listings, you'll find:

- **Search Bar** — Enter keywords to search across all collections.
- **Sort Dropdown** — Choose how you want items ordered (title, call #, etc.).

To view details about an item, click its cover image.

5. Viewing Item Details

Items with ISBN numbers will display:

- A cover image
- Author(s)
- A description
- A **Call #** indicating the bookcase and shelf location in the physical library
- Items that were entered manually will have less information.

If you want to check out the item, click **Checkout**. If the item is already checked out, click **Add Hold** to place a hold. You will receive an email when the item becomes available.
